

PE and Sports Grant

The government is providing additional funding of £150 million per annum for academic years 2013 to 2014 and 2014 to 2015 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - has been allocated to Primary School Head Teachers.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. The purpose of the additional funding is to improve the provision of PE and sport so that children can develop healthy life styles.

Schools must spend the additional funding on improving their provision of PE and sport, but schools have been given the freedom to choose how they do this.

Manby Lodge decided to use the funding in the following way

Sports Grant 2014-15

Grant received - £9,624		
Summary of Grant spending 2014-15		
Objective <ul style="list-style-type: none">To effectively use the Sports Grant to raise the profile and outcomes for children in PE, Sport and physical activity across the school
