

## PE and Sports Grant

The Government is continuing to provide additional funding to improve provision of physical education (PE) and sport in Primary Schools.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. The purpose of the additional funding is to improve the provision of PE and sport so that children can develop healthy life styles.

Schools must spend the additional funding on improving their provision of PE and sport, but schools have been given the freedom to choose how they do this.

Manby Lodge decided to use the funding in the following way:
