

Week commencing 28.1.19

Dear parents and carers,

NSPCC Buddy's Big Workout:- Year 1 will be taking part in a whole year group Zumba session as part of their PE session, more information to follow.

Maths:- In Maths this week we will be recapping how to solve addition calculations using a variety of methods including counting objects and using a number line.

English:- During book talk this week we will be reading about Judaism. We are also looking at words using a suffix (e.g. words ending in -ing, -ed). We will then attempt to use suffixes in our own writing.

Phonics:- The children will be revising phase 5 phonics learnt to date using blending and segmenting.

Topic:- We will be finding out about the Torah and why it is important to Jews. We will also be finding out why Jewish families celebrate Shabbat.

At home you could:

1. Look out for any suffixes in books, comics and elsewhere.
2. Practise adding objects together e.g. in the fruit bowl there are 10 grapes and 3 oranges. 13 pieces of fruit altogether.
