

Week beginning: 18.03.19

Dear Parent/Carer,

English - We will be reading and sharing *The Three Little Pigs* and then creating a book review of the text.

Maths - This week we will be continuing our learning about time. We will be revising and consolidating our learning on o' clock, half past, quarter to and past. We will then be moving on to telling the time to 5 minute intervals e.g. 20 minutes past 10, ten minutes to 3.

Science - We will be learning about different life cycles e.g. the life cycle of a frog, chicken and human.

Computing - We will be using the internet to explore and research information about animals with a focus on safe internet use.

Art - We will be beginning to design and create our own Easter bonnets over the next couple of weeks.

Spelling - Children will need to learn their spellings in their spelling journal ready to work with their spelling buddy on a Friday. New spellings will be given every Friday. See the letter inside the spelling journal for more information. Each child's spelling words are personal to them. Please make sure they have their spelling journal in school every Friday.

Homework changes - Children are now expected to complete either ONE Maths or English activity EACH WEEK (from the homework grid) to bring in to school on a FRIDAY. This can be completed on paper or in their homework books. The Topic tasks are additional. This will be shared with the class each Friday and stamped by the teacher.

Reading - Please read with your child every night for 10 minutes and ask them questions about the book.

We will be making our own Easter gardens in RE over the next few weeks and would be grateful if you could kindly donate any sticks, moss, small stones or rocks. Thank you.
