

Our focus this week:- We will be talking about traditions at Easter. We will be making Easter/ Holiday cards. We will be updating special books with photos of our learning.

Maths:- We will be recognising and ordering numbers and practising our careful counting. We will be playing maths games on the interactive board using Busythings and outside we will be going on number hunts.

Literacy:- We will be practising our segmenting skills making signs and labels for our small world and role play areas. We will be sharing nose news and class stories.

Phonics:- In phonics this week we are continuing to revise phase 3, revising the diagraphs **er, ar, or, oa**. We will continue to revise the tricky words: **I, go, to, no, the, he, she, we, me, be, you, are, was, my, they, her, all**.

At home you could:- encourage your child to look for numbers all around them and recognise them. Play games which involve numbers and counting such as dominoes, cards, snakes and ladders etc.

Junk Modelling:- We are collecting shoe boxes and tissue boxes. We are collecting empty clean plastic bottles with lids. We are collecting soap dispenser bottles. Thank you.

Easter Holidays:- Thank you for all your support this term, we hope that you have a lovely, restful Easter break and we look forward to seeing you on Tuesday 23rd April.

Thank you
The Reception Team
