

Week commencing 07.05.19

Dear parents and carers,

English:- This week we will continue learning to retell the traditional tale of Goldilocks and the Three Bears. The children will share the story with the residence at Sunrise Living. Within class, Year 1 will also have the opportunity to create their own version by changing the characters, objects and settings.

Phonics:- In phonics we will recap the meaning of consonant and vowels and we will blend and segment CVCC/CCVC words. We will then blend and segment words with adjacent consonants, such as blast, turnip and stuntman.

Maths:- We will be learning that divide means to share. We will begin our division topic by sharing objects and pictures. The children will practise sharing common flowers between garden gnomes and tradition fairy tale characters between different settings.

Topic:- We will be continuing with our 'Ready, Steady, Grow' topic by labelling plants, flowers and trees. In preparation for our trip to Sunrise Living the children will also be creating their own paper flowers to give to the residence.

At home you could:

- Share different objects equally. Can you share some of your toys fairly between your family members?
- Can you mix up two fairy tales to create a new one? You could either draw the pictures or write the story.

For example, Little Red Riding Hood might plant some magic beans, climb a giant beanstalk and meet a giant. Or maybe, The Three Little Pigs will trample across a bridge and meet a bad tempered troll.
