

Our focus this week:- We will be looking at our caterpillars and making observations about what we can see. We will be making predictions about what is going to happen to them.

Maths:- We will be learning to share amounts equally. We will be sharing amounts equally between 2 groups using toys and objects in practical ways and games.

Literacy:- We will be sharing The Very Hungry Caterpillar story and other stories related to minibeasts. We will be using our caterpillars to inspire us to write stories about adventures they could have.

Phonics:- In phonics we will be continuing work on phase 4 which incorporates phase 2 and phase 3 phonemes, digraphs and trigraphs which we have already learnt. We will continue to practise the tricky words: **I, no, go, to, the, he, she, we, be, me, you, they, all, was, my, they, said, so, have, like.** We will be introducing reading the new tricky words **some** and **come**. We will also continue to learn about the **vowels** of the alphabet.

At home you could:- Go on a mini beast hunt in the garden or the local park. Together research different minibeasts and where to find them.

We are collecting:- We are collecting: foil, buttons, ribbon, bits of fabric, paper plates, lollisticks, pipecleaners, bottle tops for our craft areas. Also plastic fruit boxes, fruit nets, kitchen roll, shoe boxes for our junk model areas.

Thank you for your support.

Thank you
The Reception Team
