

Our focus this week:- We will be looking at our caterpillars and cress seeds, and making observations about what we can see. We will also be making predictions about what is going to happen to them.

Maths:- We will be continuing to learn to share amounts equally between 2 or more groups. To do this we will be using toys and objects in practical ways and games.

Literacy:- We will be sharing and encouraging story telling through the use of our role play and small world areas. We will be making books to share as part of our writing opportunities.

Phonics:- In phonics we will be continuing work on phase 4 which incorporates phase 2 and phase 3 phonemes, digraphs and trigraphs which we have already learnt. We will continue to practise the tricky words: **I, no, go, to, the, he, she, we, be, me, you, they, all, was, my, they, said, so, have, like, some, come.** We will be introducing reading the new tricky words **were** and **there**. We will also continue to learn about the **vowels** of the alphabet.

At home you could:- Practise sharing objects or toys fairly and evenly with your child.

We are collecting:- We are collecting: foil, buttons, ribbon, bits of fabric, paper plates, lollisticks, pipecleaners, bottle tops for our craft areas. Also plastic fruit boxes, fruit nets, kitchen roll, shoe boxes for our junk model areas.

Thank you for your support.

Thank you
The Reception Team
