

## Manby Lodge International Week

Dear Parents and Carers

During the week commencing 17<sup>th</sup> June we are holding an International Week at school when the children will be learning about other countries/regions. They will learn about different aspects of those countries/regions such as location, flags, famous landmarks and people, food, music, art and may even learn a few words in a foreign language.

On Tuesday 18<sup>th</sup> June each class will participate in a dance workshop run by the kzdance team who will teach the children dances from different countries.

On Friday 21<sup>st</sup> June the children can come to school dressed in the colours of a flag of the country that they have been learning about or the flag of the country where they are from.

If you would like to come and talk to your child's class about any aspects of the countries/regions they are learning about you would be most welcome. Please see the class teacher to arrange. We would also be grateful for any objects from those countries/regions to share with the class such as items of traditional clothing, books and/or any other artefacts.

The **main** countries/regions that the children will be learning about during International Week:

Reception	Chile South Africa New Zealand UK
Year 1	Turkey Korea South Africa
Year 2	USA South America Canada

On Friday at 3pm, once all the children have been collected, you are welcome to look around your child's/children's class(es) to see their work on display.

Regards

Mrs Stanford

History and Geography Subject Leader
