

Week commencing 04.06.19

Dear parents and carers,

We hope you all had a great half-term!

English:- This week we will be using the suffix -s for third person singular verbs: she runs/ he hopes.

Phonics:- In phonics we will be revising blending and segmenting real and alien words.

Maths:- Our Maths focus this week is to find the missing number in an addition and a subtraction calculation.

Topic:- We will be discussing 'Why should we look after our plants?'. We will discuss why the world is a place of wonder. We will talk about how people have spoiled the natural world and that many people show concern about waste and greed and the impact this has on plants.

PSHE:- This week we will be learning about how we change as we get older with the topic 'Changing Me'.

At home you could:

- Write about a friend using verbs with -s endings. E.g. Sophie jumps as high as a tree. She loves drawing pictures.
- Talk about the wonderful world we live in and how we can we do to look after it.

Dates to remember:

Thursday 27th June: Weybridge Walk

Friday 28th June: Year 1 Disco

Friday 19th July: Grandparents Tea Party

Please could we have volunteers to walk with the classes on the Weybridge Walk?

Thank you!
