

Week beginning: 03.06.19

Dear Parent/Carer,

English - This week in English we will be reading the story 'The Disgusting Sandwich' by Gareth Edwards. After reading the story the children will be designing, labelling and writing about their own disgusting sandwich. Once the children have designed their own disgusting sandwich they will be writing a set of instructions on how to make it. Children will be including - imperative verbs, punctuation, conjunctions and thinking about how to set out instructions differently from a story.

Maths - In Maths this week we will be looking at measurement, specifically weight (g and kg). Children will be firstly estimating the weight of objects. The children will then be weighing a range of items and reading the scales in order to accurately record the weight of the item.

At home you could - look at different food packaging around the home and investigate how much it weighs. How many grams and how many kilograms?

Science - During our Science lessons we will be investigating how we can stay healthy. Children will be thinking about healthy and unhealthy food types, food groups and how these different foods affect our body. Children will be creating a healthy menu, using the food groups, alongside a poster for promoting the importance of keeping fit and healthy.

At home you could - look at the food labels on food packaging and identify the red, amber, green system

Spelling - Children will need to learn their spellings in their spelling journal ready to work with their spelling buddy on a Friday. New spellings will be given every Friday. See the letter inside the spelling journal for more information. Each child's spelling words are personal to them. Please make sure they have their spelling journal in school every Friday.

Homework changes - Children are now expected to complete either ONE Maths or English activity EACH WEEK (from the homework grid) to bring in to school on a FRIDAY. This can be completed on paper or in their homework books. The Topic tasks are additional. This will be shared with the class each Friday and stamped by the teacher.

Reading - Please read with your child every night for 10 minutes and ask them questions about the book.
