

Week beginning: 08.07.19

Dear Parent/Carer,

English - In English this week we will be continuing with our space theme. The children will be writing acrostic poems about space and the planets. The children will be including noun phrases and conjunctions. The children will also be thinking about what they would pack for a journey to space!

Maths - In Maths this week we will be continuing with our space theme. The children will be using their knowledge of the four operations (addition, subtraction, division and multiplication) to solve some space code breaking problems.

Art - We will be designing and painting our very own alien picture. Children will be thinking about adding details to their drawing before using paint to add colour. Children will also be looking at mixing colours together to make a different colour.

Science - In Science we will be learning to order the planets and continue learning about their moons and the materials they are made of. The children will be making a planet mobile to help them remember the order.

If you have any books on space we would love to see them. Please send them in with your child to share in their space lessons.

Spelling - This week was the children's last spelling check. This is because the end of year play and leavers assembly rehearsals are in full swing and as we approach the end of term it is getting very busy with transition activities. Thank you for your support this year with the children's weekly spellings.

Homework changes - Children are now expected to complete either ONE Maths or English activity EACH WEEK (from the homework grid) to bring in to school on a FRIDAY. This can be completed on paper or in their homework books. The Topic tasks are additional. This will be shared with the class each Friday and stamped by the teacher.

Reading - Please read with your child every night for 10 minutes and ask them questions about the book.

Reminder- Please ensure that match attack cards stay at home.

Dates for the diary-

- Leopards shared learning - Tuesday 9th July (am)
- Tiger shared learning - Thursday 11th July (am)
- Lion shared learning - Friday 12th July (am)
