

Week commencing 10.02.20

Dear Parents and Carers,

English: We will be using and applying the writing skills learned this half term to design and create our own books on different countries from our Around the World topic in Geography.

Phonics: In Phonics we will be revisiting the following sounds - ear, air, ar, oa. We will then practise spelling some words with the sounds.

Maths: We will be revising and consolidating our learning on the four operations (+, -, x, ÷). We will also be revisiting our learning on money focussing on coin recognition and making different amounts. We will be reviewing 2d and 3d shapes and their properties too.

Geography: In Geography we will be creating our own posters about a country of our choice from the selection of countries we have learned about so far.

Computing: Linked to Safer Internet Day, we will be revisiting our E-Safety mascot, SMARTY, and the E-Safety rules he represents. We will be exploring ways to stay safe online and discussing what to do if unsure about something encountered online.

Homework:

Children are now expected to complete either ONE Maths or ONE English activity EACH WEEK to bring into school on a FRIDAY. This can be completed on paper or in their homework books. The Topic tasks are additional. This will be shared with the class each Friday and stamped by the teacher.

Spelling:

Children to learn their spellings in their spelling journal, over the week, ready to work with their spelling buddy on a Friday. New spellings will be given out every Friday.

Around the World:

If you have any information books, postcards, leaflets etc, from the countries we have studied this half term (China, India, Spain and Switzerland) that you would be happy to share with us please hand them to your child's class teacher and ensure they are named. Thank you.
