

Week commencing 05.07.2021

Dear Parents and Carers,

**English:** This week we will be using Pobble365 to inspire our writing. We will be using the images to create our own narratives/stories. The children will have the opportunity to use their imagination and take their writing in any direction. Children will be encouraged to use conjunctions, ambitious adjectives and suffixes to add detail to their story writing. Towards the end of the week the children will have an opportunity to up level their writing with a purple pen and evaluate theirs and a partner's writing.

**Phonics:** In Phonics this week we will be looking at alternative spellings for the /ai/, /ee/, /ch/, /c/ and /igh/ phonemes. We continue to have a focus on tricky words and accurately writing dictated sentences each day.

**Maths:** In Maths this week we will be looking at the topic of telling the time. Children will begin by learning to use the words before, after, first, next, then, finally, morning, afternoon and evening. The children will then move onto ordering the days of the week, months of the year as well as learning to tell the time to 'o'clock.

**PSHE:** The children will be continuing to explore the theme of 'Changing Me'. This week children will learn to identify the parts of the body that make boys different from girls, use the correct name for body parts, and understand which parts are private.

The children will also be thinking about what they have enjoyed this year in Y1 and what they are excited about, moving into their new class in September. As well as talking about things they are excited about we will also address any worries.

**PE:** In our PE lessons this week we will be working on our hand-eye coordination with a range of ball skills and games.

**At home you could:**

**Make a list of your daily routine. Challenge: add the times you do these activities. For example- Breakfast at 7 o'clock.**
