

Week commencing 19.07.2021

Dear Parents and Carers,

Although the last week of the school year has not quite been what we had hoped for, it has once again been a reminder of how resilient we can all be. Children, parents and staff, a huge thank you to everyone for a successful year full of hard work, determination and most importantly, hope.

Pyjama Party:-

On Wednesday 21st July we will be having a 'Teams Party', at 10am for each class. Please provide your child with a snack, and of course, pyjamas to wear. If your child would prefer to wear other fancy dress then that is okay too. For this session we will play some games, share a PowerPoint of our school year and then finish off with a story. **This will be our only session on Wednesday.**

Live lessons:- We will still run online lessons Monday and Tuesday at the normal time of 10am and 1.30pm; please do try and make these sessions as not only are they beneficial to your child's learning, but it is also an opportunity for your child to see their peers and teacher before we finish for summer.

Recorded lessons:- For those who are unable to join our live sessions, there will be a video for Monday and Tuesday; each video will provide phonics, maths, and a story to share with your child. The recorded lessons will be the same lesson as we are providing live, so if your child is joining the live sessions they **do not** need to watch the recorded lessons as well.

Thank you to the parents:-

The Reception Team would like to take this opportunity to say a huge "thank you" to you all for your support this year. It has been a very challenging year but one where we all came together and adapted to a very different way of teaching. You have all been fantastic and really are real life superheroes! We could not have done this year without you. Thank you for your support, kind words and smiles! We wish your family a safe, relaxing and happy summer. You certainly deserve it!

Message to the children:- To all of the wonderful children in Cygnet, Duckling and Gosling Classes - all of your Teachers and TAs are very proud of each and every one of you. What a fantastic start to your academic journey you have had! We are super proud of how you have been learning, both at school and at home; you can all do anything! We have all had so much fun teaching you and have loved watching you grow in many different ways. You have made us smile and laugh every single day and we will carry such lovely memories of you all. We wish you every success as you move into Year 1. Your new teachers are incredibly lucky to have such fantastic children to teach!

Have a fabulous summer! See you on September 2nd.

Thank you,
The Reception Team
