

English: - The children will be creating their own non-fiction books based on the facts we collected last week.

Maths: - This week the children will continue to look at time. They will begin to learn to tell the time to the hour and to the half hour using analogue clocks.

Art: - The children will be adding colour and texture to their sculptures using paint.

History: - This week the children will compare the explorers Tim Peake and Christopher Columbus.

Music: - The children will perform their created glockenspiel rhythm to an audience.

Computing: - This week the children will create their own background for a computer game and then code simple characters within the game.

Science: - This week the children will explore the season of summer and will create a weather chart for the week.

PSHE: - The children will continue looking at change and how change can be a good thing.

RE:- We will think about all the stories we have learnt about this term and what they have taught us.

PE: Children will be extending their passing and receiving skills.

P.E: Please ensure your child has their P.E kit in school on following days:
