

English: - This week the children will be introduced to the story 'Funnybones.' They will re-cap the features of a book, explore the main characters and help one of the characters with a dilemma!

Phonics: - We will be revisiting the sounds taught this half term and completing a phonics check with the children.

Maths: - The children will compare numbers using the symbols <, > and =.

Science: - We will learn about our sense of smell. The children will be exploring different smells and describing them. We would appreciate it if you could provide each class with the following for our science experiment, a small pack of garlic, small bottle of coffee, small bottle of vinegar, small bottle of vanilla extract, small block of cheese.

Music: - Listen to and appraise the song 'It's Like This' by Run DMC and use glockenspiels to try to play along to Hey You.

PSHE: - We will talk about how children like to learn in our classes and how their class makes them feel happy and safe.

Geography: - This week, the children will think about their journey from home to school. They will then make simple maps of their journey. Please could you speak to you children about the different landmarks which they see on their journey to school, e.g names of shops, building, bus stops etc. The children will need to know this information to support their work in school.

Art: - This week we will create our own self portrait inspired by Brianna McCarthy.

RE: - We will be learning about how the Creation Story makes Christians feel and link this to harvest. The children will then be writing their own harvest poem.

Diary Dates: -

Wednesday 8th October - Safeguarding session with Miss Morris for Parent volunteers - 2.20pm

Thursday 9th October - Forest school

Friday 10th October - Parent Voice Meeting - Class Reps - 1.45pm

Monday 13th October - Shared Learning - Maths Focus - Fox class - 9.10am - 9.45am
