

WC: 10.11.2025

Dear Parents and Carers,

This week we will be learning about Remembrance Day and why it is important. We will do this through reading the lovely story book 'Alive with Poppies'.

Phonics - This week we will be learning the phonemes y, z, zz, qu, ch. We will also be introducing the harder to read and spell words - We, Me, Be

Literacy - In Literacy this week we will be reading the story 'Alive with Poppies'. We will use this to help us talk about how we can show kindness and respect to others.

Maths - We will be learning about measure and patterns, comparing size, mass and capacity. We will be measuring things in our environment talking about size.

PSED This week we will be celebrating differences. The children will be thinking about how everybody is different and how people have their own talents and considering similarities and differences.

Creative Arts - We will be continuing to make our Diva lamps by adding paint and glitter. We will also be improving our fine motor skills by creating poppies using loose parts.

If you are able to send in donations of any of the following to help us with the children's learning, we would be very grateful:

Salt, cream of tartar.

Thank you in advance 😊
