Second-hand uniform

Our PTA (FOML) also hold a lot of very good quality, second-hand uniform. To order specific items please contact: foml.preloveduniform@gmail.com

Whilst the sky-blue polo shirt can be plain or with logo, we recommend you purchase at least one featuring the Manby Lodge logo for school trips/photographs.

All items of uniform must be clearly named – if items lost are unnamed, it is unlikely we can return them.

No jewellery should be worn in school. We really discourage parents from sending children to school with earrings, particularly in Year R and Year 1 where children's learning is more active. If your child does have pierced ears, only flat stud earrings are permitted. No hoops.

Jewellery for religious reasons can be worn with agreement from the Headteacher.
