

Dear Parents and Carers,

English: - The children will explore a new text this week relating to our current 'Great Fire of London' topic. They will re-cap features of books such as title, blurb, author and front cover to make predictions about what and who they think the story is going to be about linking their ideas using the conjunction 'because'. We will also sequence the story and write captions.

Phonics: - This week we will continue to look at alternative graphemes. These will be:
/z/ spelled se and ze e.g. freeze and pause
/ear/ spelled eer and ere e.g. deer and here
/sh/ spelled ti e.g. station

Maths: - This week the children are starting to learn about mass and capacity and will have lots of practical opportunities to weigh and compare the mass of different items. They will also measure mass using standard units e.g. grams.

Music: - We will continue to learn to play notes 'C' and 'D' on a glockenspiel to a familiar song.

History: - We will be taking part in an exciting Great Fire of London workshop to bring all of our learning to life with 'hands on' experience.

RE: - We will be talking about the life event which took place in Jesus's life and how those events are ordinary, and how some are extraordinary.

DT- We will be making our stable structure using our plan from last week.

PSHE: - We will continue to talk about how medicines can help us if we feel poorly and will be talking about the importance of following instructions correctly to use them safely.

Computing: - We will be continuing to work on our 'Great Fire of London' Ebook.

Notices:

FOREST SCHOOL SESSIONS FOR YEAR 1 EVERY THURSDAY.

Library

All classes will change their library book on a Friday. Please ensure your child's library book is in school on a Friday.
