

Week commencing 16.03.2026

Dear Parents and Carers,

Wow. what a busy week we had last week! The children loved taking part in the interactive science workshop and trying different experiments, as well as exploring how to use different pegs to hang up washing! It was wonderful to spend time celebrating our wonderful mummies on Friday so thank you to those who were able to attend!

**Phonics:** In Phonics this week we will be revising and reviewing our sounds from the previous half term. This week we will be focusing on the following harder to read and spell words: **do, one** and **little**.

**Maths:** In maths we will be continuing to look at measurement and introducing the children to measuring time. We will be using the language of 'morning' 'afternoon' and 'evening' to describe the different activities that happen in a day e.g. eating breakfast in the morning. We will also be measuring

**Literacy:** In Literacy we will be sharing the story 'Supertato' and writing wanted posters for the 'evil pea'. We will be encouraging the children to use adjectives to describe him and write sentences about the mischievous things the gets up to in the story!

**PSHE:** This week, we will be learning about the importance of sleep and ways to ensure we have a good nights sleep, this includes activities such as having calm time before bed, brushing our teeth and listening to a story.

**Music:** This week we will be using a range of instruments to perform 'wheels on the bus', 'incy wincy spider' and 'old Macdonald'. The children will then perform these in small groups to their peers.

Please could we have any donations of cream of tar tar to make playdough with.
