

Week beginning: 18.05.2016

Dear Parents/Carers,

This week we have been so **incredibly proud** of our children who have shown how hard-working, polite, enthusiastic and what all-round superstars they are during a very busy week. They have been busy doing lots of research on South Africa, learning to tell the time past and to the hour and finalising our carriages in D&T (they look awesome!).

English - We will be using our research from last week to make our information booklets on South Africa.

Maths - We will be finishing our unit on time and starting our new unit on statistics looking at tally charts and tables.

D&T - The children will be evaluating their Cinderella inspired carriages looking at what went well and what they might do next time to improve.

Geography - The children will be making their own maps of Weybridge using a compass and key to symbolise key features.

Science - The children will be learning about life cycles of different mammals.

PSHE - The children will be learning how to express appreciation for people that are special to them and recognise what this looks like.

Music - The children will be finishing their learning on recorders and playing them to the 'Friendship song' They will be performing their learning to each other in class.

Reading - Please read with your child every night for 10 minutes and ask them questions about the book. Books will continue to be changed by the children on a Friday. Please also complete Numbots activities at home for Maths fluency.

We will have our final forest school session this week, please see timings below.

Thursday Forest School Timetable:

9.05-9.50 Tigers	10.35-11.15 Leopard	1.10-1.50 Lions
