

Week Commencing 18.05.2026

Dear Parents and Carers,

This week we have been so incredibly proud of our children who have shown how hard-working, polite, enthusiastic and what all-round superstars they are during a very busy week. They have been busy creating some fantastic bug hotels, retelling the story of the Gruffalo, using Numicon to find number bonds to 10 and many other things.

Phonics - In phonics we will be continuing to review all our sounds and reviewing our recent learning on the 'ed' suffix and CCVCC words. We will also be assessing the children's sounds this week - please note, this will take the place of our weekly readers.

Literacy- This will be our final week focussing on 'The Gruffalo' and the children will continue writing their descriptions of the main character. The children will be encouraged to use and apply their phonics skills and vocabulary from the story to support their writing.

PSHE- We will be thinking about how to be a good friend to each other and considering the qualities we look for in a friend.

Maths - We will be consolidating our number bonds to 10 this week. The children will also be exploring doubles of numbers to 10 using a range of different manipulatives and resources to support them.

If you are able to send in any donations of the following items they would be greatly appreciated: plain flour.

Thank you in advance 😊

Diary Dates

Friday 22nd May - FoML Mufti Day

Friday 22nd May - FoML Cake Sale - 3pm

Friday 22nd May - End of First Summer Term- 3.00 pm

Monday 1st June - INSET Day
