

Dear Parents and Carers,

This week, we will be focusing our learning on the story "The Pirates are Coming" and enjoying lots of pirate themed fun! The children will create their own treasure maps, build pirate ships, and use their maths skills to share out treasure. We are excited to see their imagination, creativity, and storytelling skills grow throughout these activities.

Phonics - In phonics we will be recapping our newly learnt phase 5 sounds and learning the new harder to read and spell words: 'house', 'mouse' and 'water',

Literacy - We will be sharing the story 'The Pirates are Coming' and using this to inspire us to write a set of instructions to find treasure! We will be encouraging the children to write simple sentences using capital letters, finger spaces and full stops.

PSHE - We will be sharing any questions or worries we have about moving into year 1 as well as discussing what we are excited about.

Maths - We will be sharing groups of objects and exploring odd and even numbers. For example, we will provide a basket of fruit and ask them to share it between 2 teddies at a picnic. We will then move onto grouping objects, for example if I have 9 horses and I put them into groups of 3 in a field, how many fields will I need?

Music - We will listen and appraise 'Jupiter- The Bringer of Jollity' by Holst- from the Planet Suite. We will then create our own performances to Twinkle Twinkle Little Star.

We appreciate any donations of cream of tar tar and salt. Thank you in advance 😊

Diary Dates

Tuesday 30 th June	All Day	Surrey Schools Transition Day	All children will spend the day in new class
Monday 6 th July	6.00 pm – 8.00 pm	Full Governing Body meeting	School Governors
Wednesday 8 th July	10.00 am	Rocksteady Concert (Band Leader Marina)	Invitations sent directly to parents by Rocksteady
