

Week beginning: 15.06.26

Dear Parents/Carers,

English - The children will be writing a recount about their trip to Legoland.

Maths - The children will be starting a new topic on position and direction. They will be using the language of position and describing movement and turns.

Computing - The children will be learning that algorithms follow a sequence and they will design an algorithm that follows a time sequence.

Geography - The children will be learning about geographical features in Canada.

Science - The children will be looking at the findings from planting bulbs and seeds.

Art - The children will be exploring the key features of Ndbele patterns.

PSHE - The children will be recognising how their bodies have changed since they were babies and where they are on the continuum from young to old.

RE - The children will be finding out about festivals which show us that we are grateful for the natural world.

Music - The children will be rehearsing for 'Matilda'.

Children are welcome to learn their scripts and songs for the show at home but please can they make sure that they have their scripts and song lyrics in their school bag when they come to school.

Reading - Please read with your child every night for 10 minutes and ask them questions about the book. Books will continue to be changed by the children on a Friday. Please also complete Numbots activities at home for Maths fluency.

Multisport will be on a Thursday. Leopards and Tigers will also have PE on a Tuesday and Lions will have PE on a Wednesday.
