

Year 2

Summer 2

Take Flight

R.E: Why should we look after our world?

- Identify similarities in what Christians, Jews and Muslims believe about caring for our world.
- Re-tell religious, spiritual and moral stories.
- Talk about how both religious and non-religious people share the belief that we should all care for the environment.
- Talk about how different communities of people show care for our world.
- Identify how beliefs about caring for our world are turned into actions.
- Give a reason why our world is important to them.

Computing: Purple Mash Coding

- Understand what an algorithm is and how they work.
- Create a computer program using an algorithm.
- Design an algorithm that follows a timed sequence.
- Test and de-bug a program.

Art: Ndebele Patterns & Digital Art

- Explore the key features of Ndebele art.
- Design a Ndebele inspired pattern.
- Paint a Ndebele inspired pattern.
- Use what they know from our digital art unit to create a digital art print.

Science:

- Life cycles of different mammals.
- Life cycles of amphibians.
- Life cycle of a butterfly.
- Comparing life cycles of different animals.
- What does wildlife do for us?
- What can we do for wildlife?

English:

- Exploring a range of texts from different countries and cultures e.g. The Rainbow Bear, Meerkat Mail and Lila and the Secret of Rain.
- Writing for a range of different purposes e.g. postcards, letters, narratives, non-chronological reports, recounts and instructions.
- Identifying the key features of different writing genres.
- Making links between texts.
- Answering questions and making inferences on a range of texts.
- Summarising and highlighting key parts of a text.

Maths:

- Review calculations and methods
- Read and understand word problems, identifying key information and what is being asked.
- Explain reasoning and the steps they took to find the solution.

Enrichment activities:

- Sports Day – Wed 10th June (reserve Thurs 2nd July)
- Legoland trip – Tues 16th June
- International Week – w/c 22nd June
- Transition events at Cleves
- First Aid training – Mon 22nd June
- Year 2 Leavers Performance – Thurs 9th & Fri 10th July
- Leavers Festival – Fri 17th July

PSHE: Changing Me

- Exploring life cycles.
- Learning about how we grow and change from young to old.
- Understanding and respecting the changes we see in ourselves and others.
- Knowing who we can ask if we feel worried about changes.

Geography: Around the World

- Re-cap the continents and oceans.
- Human and physical features.
- Locations of continents and countries in relation to the equator and North and South Pole.
- Weather and temperature.
- Populations.
- Asia – Japan.
- Africa – Egypt.
- North America – Canada.
- South America – Brazil.
- Antarctica.
- Europe – Holland.
- Oceania – Australia.

P.E:

- Sports day practise.
- Starting in a seated/lying position, I can throw a bouncing ball, chase and collect it in a balanced position facing the opposite direction.
- Starting in a seated/lying position, I can chase a bouncing ball fed by a partner and collect it in a balanced position facing the opposite direction.
- I can place a cone on my back and take it off with the other hand in a mini-front support.
- I can hold a mini-back support position.
- I can place a cone on my tummy and take it off with the other hand in a mini-back support
