

English: - The children will be reflecting on all the learning this year and write a review of their time in year 1

Maths: - This week the children will continue to look at time. They will begin to learn to tell the time to the hour and to the half hour using analogue clocks.

History: - This week the children will be learning about Tim Peakes and the work that modern astronauts do and how the moon landing impacted the world.

Music: - The children will perform their created glockenspiel rhythm to an audience.

Science: - This week the children will explore the season of summer and will create a weather chart for the week.

PSHE: - The children will continue looking at change and will be talking about changes which have happened in our lives and how to cope with changes.

RE: - We will think about how we can share stories with others.

PE: Children will be extending their passing and receiving skills.

Notices:

All children will need to bring in a labelled carrier bag by Wednesday 15th July so that they can take their books/work home on the Friday.

Please make sure you return all library books by Wednesday.

P.E: Please ensure your child has their P.E kit in school on following days:

Multisports for all classes -Wednesday

Squirrel class - Thursday **Hedgehog class** - Monday **Fox class** - Monday

On Tuesday 21st July we will have our end of year class parties. Children are welcome to come to school in party clothes and bring a healthy snack to have during the party (in the afternoon).

No sandals/flip flops/crocs or crop tops please.
