

English: - This week the children will be introduced to the story 'Funnybones.' They will re-cap the features of a book, explore the main characters and help one of the characters with a dilemma!

Phonics: - We will be revisiting the sounds taught this half term and completing a phonics check with the children.

Maths: - The children will compare numbers using the symbols <, > and =.

Science: - We will learn about our sense of smell. The children will be exploring different smells and describing them. We would appreciate it if you could provide each class with the following for our science experiment, a small pack of garlic, small bottle of coffee, small bottle of vinegar, small bottle of vanilla extract, small block of cheese.

Music: - Listen to and appraise the song 'It's Like This' by Run DMC and use glockenspiels to try to play along to Hey You.

PSHE: - We will be thinking about how our choices can lead to different consequences.

Geography: - We will be looking at the layout of each other's homes and will be comparing different types of homes that we live in.

Computing: We will be practicing longlining in and creating our own avatar on Purple Mash.

RE: - We will be identifying how Christians can share God's creation and recognise what we are thankful for.

Home Learning:

Harder to read and spell words:

To, go, into

Diary Dates: -

Wednesday 7th October - 2.20pm - 2.40pm - Safeguarding Session with Miss Morris for Parent Volunteers
