Week beginning: 16.11.2026

Dear Parents/Carers,

English – In English children are going to dive into their learning of the Titanic with a cross-curricular History focus. They will learn more about the Titanic and what life was like on board for them and even have a go roleplaying different classes of passengers on board too!

Maths – In maths this week we will be learning how to add two 2-digit numbers, starting not across a 10 and then moving into crossing the ten. The children will use their previously learned knowledge and physical resources to help them to do this.

Computing – In computing we will be using clip art images in a spreadsheet.

History – In history we will be investigating a range of different sources to find out about the differences between the 1st and 3rd class passengers and the facilities for them on board the Titanic, this will be cross curricular with our English learning.

Music – We will be rehearsing songs for our Christmas nativity production, 'Tinsel & Tea Towels'.

RE – We will be continuing to learn about Christianity and understand what worship means with our trip to St James' Church.

Science – This week we will be exploring the properties of metal and fabric and discussing why they have been chosen to create different products.

PSHE – In PSHE we will be discussing what bullying means and reasons why it may happen.

D&T – This week the children will explore what goes in to making bread and understand the ingredients.

Homework Notice - Please can **Tiger** and **Leopard** class skip **'Week 2'** words and complete **'Week 3'** instead this week. They will not need to catch up with Week 2. Thank you!

Reading - Please read with your child every night for 10 minutes and ask them questions about the book. Books will be changed on a Friday. Please remember to sign and/or write a comment in the Reading Record each time your child reads at home.
